

## **Cabbage Soup**

2 T. olive oil  
1 onion, chopped  
1 medium cabbage, shredded or thinly sliced  
10 c. water or soup stock  
2 c. tomato juice or crushed tomatoes  
2 T brown sugar  
2T regular sugar  
2 T lemon juice  
½ c. raisins  
2 T caraway seeds  
1 T. apple cider vinegar (or balsamic vinegar is ok)  
salt and pepper  
¼ c. green tomatoes, if available

Saute onion in olive oil in a large pot. When it's soft, add all other ingredients and cook for a long time – several hours or until you're bored. Taste and add more sugar or seasonings as needed. Makes a lot, can be frozen.
