

Dad's Frosting Recipe

1 stick of butter (1/2 cup), softened
3 ½ cups confectioners sugar
½ cup cocoa
4/9 cup milk
1 tsp vanilla

Cream the butter.

Add about ¼ of the sugar and beat well until it forms a paste.

Then add ¼ of the milk and beat.

Continue alternating beating in sugar and milk.

Then beat in cocoa and vanilla.

That's it. Yum.

Call Dad's cell phone if you have any questions.
