

## No-Cook Spinach Lasagna

### Ingredients

5 cups tomato sauce  
1 package frozen spinach  
2 c. ricotta cheese  
basil, oregano, garlic  
4c shredded mozzarella cheese  
½ c. parmesan cheese  
1 lb lasagna noodles  
1 egg (optional)

Mix 1 c. tomato sauce and 1/4c. parmesan cheese (and egg, optionally) and spread on bottom of 9x13 pan.

Make sauce: 4 c. tomato sauce, spinach, ricotta cheese, spices, and mozzarella cheese

Alternate layers of noodles with sauce, ending with sauce. Top with parmesan cheese.

Cover tightly in foil. Spray or rub oil on foil so it doesn't stick when you remove it.

Bake (covered) at 350-375 for 1 hour.

Remove foil (carefully – it's steamy inside.)

Bake for an additional 10 minutes or until bubbly and it looks good enough to eat.

Let sit for 10 minutes before eating.
